

NETWORK AND ALLIANCE OF TRANSPLANT COORDINATORS

Dear Doctors and Hospital Administrators,

Subject: Swamy Narayan Best Transplant Coordinator Award 2026 – Call for Nomination

We are pleased to announce the **19th Annual International Transplant Coordinators' Conference**, organized by NATCO (Network and Alliance of Transplant Coordinators). The conference will be held on **October 9 & 10, 2025, in Hyderabad**.

Transplant coordinators play an indispensable role in the organ donation and transplantation process. Every successful deceased donor transplant is a testament to human compassion and the relentless efforts of these dedicated professionals. To recognize and honour their invaluable contribution, NATCO presents the **Swamy Narayan Best Transplant Coordinator Award** annually at the conference.

This award was instituted in 2010 in memory of Late Swamy Narayan, the 20-year-old son of Ms. Lalitha Raghuram, Country Director of MOHAN Foundation. The award includes a cash prize of ₹5,000 and a plaque. We invite you to nominate a deserving transplant coordinator from your hospital/institution for this prestigious award. **Deadline for nomination submissions is September 30, 2026.**

The **top five nominees** will be shortlisted and invited to present their work in a 5-minute session at the conference. Please note that acceptance does not include financial support. All nominees must be members of NATCO members and registered delegates of the conference. The award will be presented only to those in attendance at the event.

We look forward to receiving your nominations and celebrating the outstanding work of transplant coordinators across the country. Click here for assessment form: <https://natco.org.in/nomination.html>
